Glastonbury, CT 06033

Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. **Western Boulevard Connection:**

All approvals are now in place for the Western Boulevard connection project. The project will be competitively bid over coming weeks with road construction scheduled for summer/fall work with a calendar year substantial completion envisioned.

2. **Community Clean Energy:**

Per the attached, Glastonbury's participation in the Community Clean Energy program produced 488 MWh of wind generated electricity during calendar year 2009. This is part of the Town's participation in the 20% by 2010 program.

I will be happy to review the preceding and any other items Tuesday evening.

Sincerely,

Richard J. Johnson  
Town Manager
